Dear God,

We gratefully thank you for our Dad. You must really love us since you gave us the best dad you had.

Watch over him there in eternity, and give him a hug for me.

Watch over him and bless him Lord. We will love and miss him for evermore.

May he always feel our love for him until we reach the heavenly realm.

This is our humble and heartfelt prayer.

To Those I Love and Those Who Love Me

Author: Unknown

When I am gone, release me. Let me go. I have so many things to see and do.
You mustn't tie yourself to me with tears, Be thankful for our beautiful years.

I gave you my love and you can only guess. How much you gave to me in happiness.
I thank you for the love you each have shown. But now it's time I traveled alone.

So grieve a while for me if grieve you must, Then let your grief be comforted by trust.
It's only for a while that we must part. So bless those memories in your heart.

I won't be far away for life goes on. So if you need me, call and I will come.
Though you can't see or touch me, I'll be near. With all my love around you soft and clear.

And then, when you must come this way alone,
I'll greet you with a smile and say "Welcome Home".

Absent from the body; present with the Lord

FATHER’S DAY MEMORIAL TRIBUTE TO MY FATHER

November 1917 - February 1989

*“Surely your goodness
and love will follow
me all the days
of my life,
and I will dwell in
the house of the
LORD forever.”
~ Psalm 23:6*

My father was a widower who raised three children by himself. There was nothing he would not do to ensure his children had everything that he could provide. Daddy was hardworking and everyone who knew him either liked or loved him. He loved to play baseball and watch the Arkansas Razorback basketball team. He loved ice cream and sweet potato pie. I was his little girl. Daddy was my earthly model of God’s Love.

🕊️ ON FATHERS DAY 🕊️
A Husband & Father

For someone who meant so much
and loved by all he knew
who left behind a trail of tears
and precious memories too

We loved the sunshine in his smile
and kindness in his heart
but heaven saw that he was tired
which meant we had to part

And now that it's his special day
dear angels, hear our prayer
please guard him with
your gentle wings
and tend him with great care

For he was someone wonderful
and words just can't convey
how much we wished
that he was here
once more, with us today

Forever & Always

A TRIBUTE TO DAD

Julius W. Pitts, Sr.

By children, LaVerne, Jul,
Odessa, Curtis, and Cheryl

In a few weeks, Dad will be 89 years young. He thanks God every morning for blessing him to see a new day. His children acknowledge the love and sacrifice he made in raising his family.

We may not say it enough, but we love you Dad and may you only know the joy, peace, and health that comes with a life well lived.

A Dad’s Love

A Dad’s love is unconditional.

A Dad’s love sometimes is based on his upbringing of how he was loved.

Most important, a Dad’s love encompasses all who he is and beyond.

A Dad’s love protects.

A Dad’s love provides safety and security.

A Dad’s love teaches basic survival skills and beyond.

A Dad’s love can be very judgmental and opinionated.

A Dad’s love when you are born is protective.

A Dad’s love as you grow older, tries to find room to give you freedom, with a watchful eye.

Above All, a Dad Loves.

Until We Meet Again

Those special memories of you will always bring a smile.
If only we could have you back for just a little while.

Then we would sit and talk again, just like we used to do.
You always meant so very much and always will too.

The fact that you are no longer here will always cause me pain,
But you are forever in my heart until we meet again.

Father's Day Dedication To My Father

Anthony L. Tilghman

My Pop is one of the most intelligent men I know. For years he only had an 8th grade education until my mom convinced him to go back to school to get his GED. Yet, he has always read the newspaper from cover to cover, which means he knows the facts and is not pursued by social media or overzealous T.V. anchors that can be factless.

What I admire about my Pop the most is his Good Samaritan nature. He's usually the first person that his siblings and friends call when they need a ride to a doctor's appointment.

We also love to rush and tell each other, "I love you," before we leave each other's presence, in person or by phone. My Pop is the original Shaft, "shut your mouth," Lol.

I dedicate this to the world's greatest Pop/father, Anthony L. Tilghman.
